## **FOXES CATALOGUE**

Fall/Winter 2021/22 collection.

Fox fur is one of the most popular fashion highlights on the catwalks of the world.

Thanks to its plush texture, a fox fur coat gives its wearer  
the perfect combination of sensuality and glamour.

MANAKAS' fox furs come from the Finnish auction house Saga Furs,  
which stands for a wide variety of furs from strictly regulated sources.
